- ID Design & Materials

Why Yealink Headsets – Great Applause from Market

E

“Your headsets offer many different ways to wear them and we believe that your warranty is better. So, we decided to start offering your solution.”

-Ewen

AF

“Your new headsets are different between many options. Easy to use with the phones, without the need to purchase any other cables, so we can sell these separately or create bundles.”

-Adam Fasnacht

J

“Sound quality is excellent. My last headset had a faint buzzing sound, but my new Yealink headset is perfect- perfect sound quality, perfect fit...I love it!”

-Jaime, HR

H

“The Yealink wireless headsets have a really good range. I can walk out to my car without losing connection! I could never do that with my Panasonic headset!”

-Holly

NOISE-FREE CALLING

4-MIC ARRAY BEAMFORMING NOISE CANCELLATION

Cancel 90% Background Noise

When you're on the run and making calls, ignore background noise.

Yealink BH71 eliminates 90% of background noise from your end of the call by applying 4-Mic array beamforming noise cancellation. So you'll sound crystal clear whether you're traversing busy metropolitan streets or are surrounded by raucous crowds.

Wherever your day takes you, sounds fantastic.

ALL-DAY WEARING COMFORT

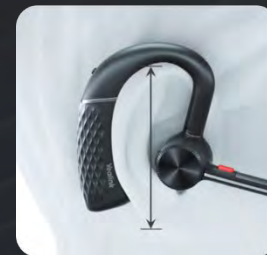

ADJUSTABLE EAR HOOK & ULTRA-LIGHT DESIGN

Feel Like Nothing

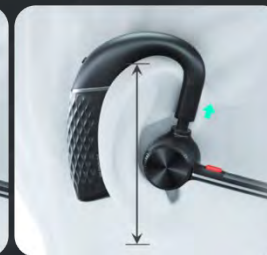

What will be the best comfort of a headset?

Yealink BH71 gives the answer: when you wear it, you feel like wear nothing.

Adjustable ear hook for a perfect fit, ultra-light 18g design for zero pressure wearing experience, all these contribute to extreme comfort never before.

Small ears

Medium ears

Bigger ears

DURABLE FOR ALL WEEK USE

30 HOURS OF ULTRA-LONG TALKING TIME

Not a Day, But a Week

Are you worried about staying connected throughout the day and anxious about charging in traveling? Yealink BH71 Series rewrite the battery efficiency of a lightweight headset with 10 hours of performance by the earpiece and extra 20 hours of battery life with the power box.

It's time to pick a headset that facilitates continuous talking.

*Extra 20hs of powering box is included

*Only BH71 Pro and BH71 Workstation Pro include the charging case

ALWAYS TAKE THE CASE WITH YOU

CHOCOLATE-SIZE AND WEIGHT

Small & Portable for Anywhere

Light to less than 100g, small as a piece of chocolate, the BH71 series is easy to take with no burden compared with traditional business headsets.

Anytime when you need to go, just take it, and go.

The fashion and powerful Bluetooth Wireless headset series, ideal for co-working spaces, home office, private office, or on the go, is also suitable for people who use a mobile phone to work.

Retractable hidden microphone arm

- Provide both business and consumer experience
- Magnetic slide rail, gently push/pull, automatically retract/extend

Multifunctional Wireless Charging Base & Long-Time Working

Improve productivity, keep workspace tidy and clean:

- Wireless Charging for Headset and Smart phone
- Work as headset hanger

Long Battery Life:

- BH72/76 with 35/28 hours talking time to power up all day talking.

Hi-Fi Level Audio Codec aptX

Experience & play in the richest details

Adopted Hi-Fi level audio codec aptX delivers pure and delicate sound with less distortion, lower noise floor and intricate details of high-quality music.

Intelligent Dynamic ANC, When you listen, listen in the best way

Intelligent dynamic ANC, including four modes(ANC level medium, ANC level high, and ambient sound), brings customizable noise cancellation adjustment in different environments for a more suitable and comfortable active noise cancellation effect.

YHS36 & YHS34 & YHS34 Lite QJ to RJ Wired Headset Series

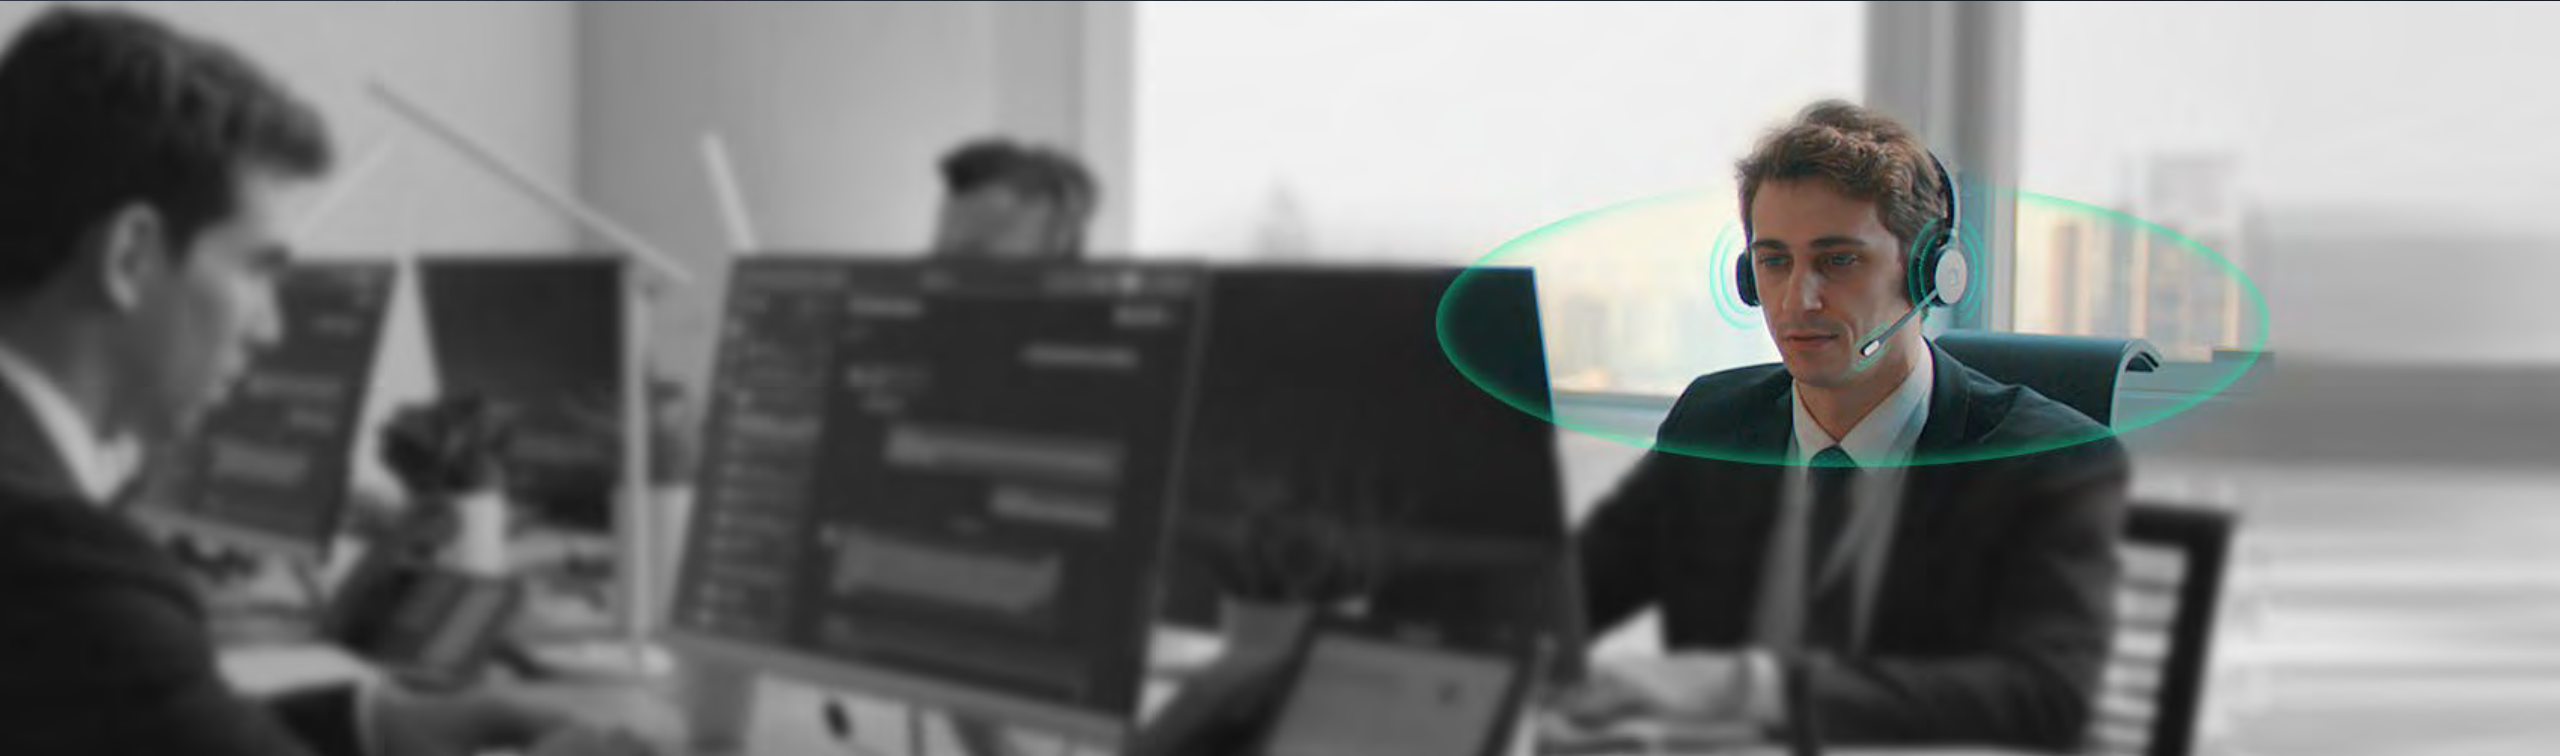

Perfectly Compatible with Yealink Phones

Runs right out of the box, a QD (Quick Disconnect) to RJ9 plug-and-play setup ensures the connectivity to Yealink Desk phones. Perfect match with Yealink desk phones give you optimized audio quality and more enhanced functions.

Noise-Canceling Microphone—YHS36

Excellent Audio Experience

The noise-canceling microphone allows for the most reduction of outside noise, so the listeners can focus more on the desired sound at hand, the nearby talkers are protected with most call privacy as well..

Ultra Lightweight Design—YHS34&YHS34 Lite

Built for comfort with soft ear cushions and ultra-lightweight materials, the YHS34/ YHS34 Lite is 10%~30% lighter than other headsets in the same range. The extremely lightweight design enables all-day wearing comfortable without pressure.

All Day Wearing Comfort

YHS36
(Leather ear cushion)

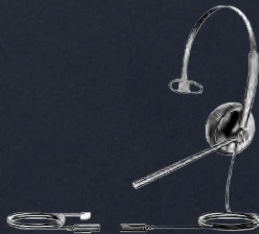

YHS34
(Leather ear cushion)

YHS34 Lite
(Foamy ear cushion)

The over-the-head wearing style, ultra-lightweight materials, and bio-mimetic protein-based leather ear cushions make your head and ears feel relaxed. Its ergonomic design enables the YHS36/YHS34/YHS34 Lite comfortable enough for long conference calls and all day use.
